safco TRIPLECHECK™ Sterilization pouches

Indicators confirm temperature, steam, and time exposure parameters

Premium grade, see-through, self-seal sterilization pouches with easy-to-read color changing process indicators.

Triple indicators confirm:

1. Exposure to correct temperature.
2. Exposure to saturated steam.
3. Exposure for correct amount of time.

SCALERS & CURETTES

Safco's instrument tips are 440A certified high-carbon stainless steel cryogenically hardened to 54°-56° Rockwell C. Thin, sharp edges provide rapid and effective removal of plaque, calculus and other deposits. Wide 9.5mm handles are stainless steel-strong, but hollow to be as light as a resin handle.
