Updated Order History

It's faster. It's easier.
It's ordering designed
around your practice!

1 Search

Now you can search your Order History by product name, item number, manufacturer, and more! *Plus, if there's anything in your Order History you'd like to "Hide"... now you can do it in one click!*

2 Filter

Choose to filter your Order History by product category or manufacturer — *or both*. And, you can even sort your products by date, category, or item number as well.

3 Order

Just enter a quantity and click "Add to Cart" to add items to your shopping cart. *Or, you can click on "Add to List" to add any items to your Shopping List for future orders!*

We've redesigned the way you use your Order History and even added product photos to make ordering easier every step of the way.

Visit safcodental.com to give it a try today!

Heraeus Kulzer VENUS® WHITE PRO

Take-home whitening system

Choose the 16% concentration for overnight wear; 22% concentration for daytime wear up to 1 hour; 35% concentration for patients who want a very short wear time and are not prone to sensitivity.

Refrigeration is required for 35% concentrations of Venus White Pro. Refrigeration is suggested for 16% and 22% concentrations. All Venus White Pro kits are stored under refrigeration at Safco.

- Weighs only 3.2 oz; just 5½" long including disposable prophyl angle; 0.66" diameter
- Use with metal or disposable prophyl angles for prophies, or Doriot-style prophyl angles for cavity preparation
- Accepts HP shank burs, diamonds and polishers
- Standard 4-hole connection, with built-in swivel
- Fully autoclavable

#101-0025 Versatility handpiece... ~~438.95~~ **338.95**

15-month limited warranty: Versatility handpieces are warranted for 15 months from invoice date. Because the price of a new handpiece is so low, it's simply not cost-effective to attempt repairs after the warranty period expires.

Save \$100 on the Versatility handpiece!

Sale ends July 31.

COLTENE ALPEN™ CARBIDE BURS

- One-piece design for enhanced concentricity.
- Creates a smoother, more precise cut.
