Limited Time Offer
**BUY 9 CANISTERS
GET 3 FREE!**

Offer ends June 30, 2026.

**OPTIM OS1 gives you quick, compliant
disinfection for less.**

Less Money

Offices that switch to OPTIM OS1 save over \$2,000 per year on average.¹

Less Time

Kill the toughest pathogens in 60 seconds, TB in 45 seconds.

Less Waste

Use half as many wipes as the leading competitor wipes.²

OFF-SITE REPAIRS

Off-site repair is ideal for smaller equipment like handpieces, motors, scalers, and curing lights. Ship your equipment to our secure facility, where every step — shipping, diagnosis, repair, and return — is fully tracked.

- **Full-service repairs** for equipment that can be shipped
- **Secure** shipping and return process
- **Six-month warranty** included with every repair

go.safcodental.com/safcoservice

ON-SITE REPAIRS

On-site repair is ideal for larger equipment or items that require installation, maintenance, or urgent service. Certified mobile technicians come directly to your office to minimize disruption and keep your practice running smoothly.

- **Fast dispatch** for urgent repairs
- **Full-service repair** for chairs, sterilizers, compressors, evacuators, and more
- **Installation support** for new or replacement equipment
- **Certified technicians** providing reliable, high-quality service
